

## 180 Degree Punch Down Keystone

Cat.6A

Category 6A modular jacks, RJ-45 keystone jack, 8 position 8 conductor (8P8C) provide superior performance and reliability, supporting Gigabit Ethernet applications and beyond. The advanced printed circuit board design provides optimum signal quality with maximum headroom. Designed to easily snap in and out of wall outlets, patch panels, and surface boxes.

- ☒ Dust Door Available
- ☒ ANSI/TIA-568.D-2
- ☒ ETL verified and UL safety listed
- ☒ RoHS compliant
